## Cathrine's Recommendations

### **Everyday Drinking Wine (less than \$15)**

*2014 Maison Joseph Drouhin, Laforet Chardonnay Bourgogne, Burgundy, France (\$13):* 100% Chardonnay. Drouhin is one of the most famous names in Burgundy, and even though they certainly have incredible Grand Cru fine wines, they also offer wines that are affordable to drink everyday. A wine that has delicious lemon comfit flavors with spice and honeysuckle notes. This wine allows us to live with the "passion" of Burgundy everyday.
